

Guidelines for Taoyuan Campus Waste Collection Area Management, National Taipei University of Business

- I. These Guidelines are formulated to support the Environmental Protection Administration's policy on "mandatory waste sorting" and to ensure proper waste classification and resource recycling.
- II. Opening Hours:
Monday to Friday (class days) 08:10–08:30
Noon 13:10–13:30
Afternoon 16:30–16:50
- III. All units are requested to cooperate with the following matters:
 - (I) Taoyuan Campus General Services Section: On-site cleaning and maintenance shall be assisted by the contractor. Personnel entering the waste collection site shall discard of waste in accordance with the regulations. For violations, applications may be made to retrieve CCTV footage and report offenders.
 - (II) Taoyuan Campus Campus Safety Services Section:
 1. Assist in promoting proper waste sorting among resident students, and inform them of the operating hours of the waste collection site.
 2. Develop disciplinary measures for dormitory students who dispose of waste or fail to comply with the regulations.
 3. During non-office hours, the dormitory management unit shall assist resident students with matters related to waste sorting and disposal.
 - (III) Each office: Please ensure that the importance of waste sorting is fully communicated.
 - (IV) The University strictly prohibits off-campus waste from being brought onto campus.
 - (V) Contacts:
 1. For waste collection site management and waste disposal, please contact the Taoyuan Campus General Services Section at extension 8031 (Mr. Deng), or the cleaning staff supervisor, Ms. Chen, at 0921-090-639.
 2. For management of resident students, please contact the Dormitory Management Office at extensions 8098 and 8099, or the administrator hotline at (03) 460-8696.
